

Fielder's Choice Enterprises, Inc. Receives Best Construction Project Award from VDOT

Fielder's Choice Enterprises, Inc. (FCE), a full-service excavating and heavy construction company based in Charlottesville, is providing a new dynamic in the Virginia markets as a company dedicated to excellence. FCE was just awarded from VDOT the Best Project in the Verona Residency for the Route 256 project in Augusta County. This prestigious award from the Staunton District of VDOT was part of their excellence in construction program for 2008. The commendation letter from VDOT said in part "We want to thank Fielder's Choice for producing a quality product..."

The Caton Companies is the parent company of *Fielder's Choice Enterprises, Inc. (FCE)*; *CMS, Inc.(CMS)*, general contractors and construction managers; *Management Services Corporation (MSC)*, a fully integrated apartment and real estate company; and *Manufactured Housing Enterprises, Inc. (MHE)*, offering manufactured home sales and community management. By drawing on the expertise and the various services provided by these firms, FCE is able to offer cost-saving choices and solutions for every facet of a project and for all types of construction.

The philosophy at The Caton Companies is the same now as it was when Doug Caton started up some 37 years ago: It's all about management. For every product or service, it takes good people and a commitment to excellence to achieve ultimate performance. Excellence- that's what FCE wants to achieve for all its clients.

"The perception of many in our community is that we do only our own work, that we're an in-house construction company," noted Don Cantore, Vice President of FCE. "That's simply not the case. At least 80% of our business comes from outside clients, including VDOT. In particular, we are honored to receive this award from VDOT. This is proof that we have built a quality team here at FCE."

For more information on FCE, Inc. call Don Cantore at 434-244-0250.

Mr. Don Cantore
Fielder's Choice Enterprises
102 South First Street, Suite 201
Charlottesville, Virginia 22902

Dear Mr. Cantore:

As you know, the Virginia Department of Transportation, Staunton District, conducted a joint meeting with contractors last Thursday, March 26, 2009, at the Augusta County Government Center located in Verona, Virginia. At that meeting, awards were presented to contractors having the Best Project for 2008 in a specific residency located in the Staunton District. This is an annual award given by the Staunton District for projects that exemplify quality construction. Fielder's Choice Enterprises was recognized for the Best Project in the Verona Residency in the Staunton District for the Route 256 Project located in Augusta County.

We want to thank Fielder's Choice for producing a quality product, and I am enclosing a certificate in appreciation.

Sincerely,

A handwritten signature in cursive script that reads "Randy S. Kiser".

Randy S. Kiser, PE
District Construction Engineer
